

Dear Kanae,

Thank you for being the person who guide my journey. You have truly been such an important mentor and role model in my life. I have always felt that I am a musician full of sincerity and passion, but often lacking experience and refinement. During my time at MSM, you always believed in me and continuously helped me grow into not only a better musician, but also a better person. I am deeply grateful for all your guidance, patience, and support.

Although I am leaving for Baltimore for a while,

Newyork will always be my
musical home, a place filled with
so many memories, laughter, tears
and growth. I will definately come
back often!

Thank you for becoming not only my
musical mentor but also Someone
I truly look upto in life.

I love you so much, and I will
truly always be grateful for you.

I will continue to pursue the music and
artistry you helped awaken in me!

本当にありがとうございます。

Love,

Irene 현영 Shin
